# innovation Company Denge

## Who are we?

We are a registered herbal raw material developer protected by patent rights emerged through R&D studies and a manufacturer company established with entrepreneurship awards.

## Our working zones

Our company, which works to produce gluten-free, vegan and organic products in 2015, started to develop special products for disadvantaged groups due to various diseases (Celiac, Gluten Intolerance, Hypertension, Diabetic).

We work with our R&D and Product Development laboratory, international test and analysis organizations, universities and accredited certification bodies, which constantly work to produce new products and improve existing products. We present the products to you by completing them under the supervision of hygienic and international quality standards.

## Awareness

As young and female entrepreneurs, 95% of our employees are women. Our business supports youth and women employment. In addition, we are trying to facilitate the access of visually impaired individuals to products with patented sound box designs for disabled individuals. While doing all this, all the food wastes that are harmless to health during the production of the products are recycled and used for the food needs of animals living in the natural environment.

Finally, every time you buy our products, you will be contributing to the future, nature and people.

We are always together...

## Wer sind wir?

Wir sind ein eingetragener Entwickler pflanzlicher Rohstoffe, der durch Patentrechte geschützt ist, die durch F&E-Studien entstanden sind, und ein Herstellerunternehmen, das mit Unternehmerpreisen gegründet wurde.

## Unsere Arbeitszonen

Unser Unternehmen, das seit 2015 glutenfreie, vegane und biologische Produkte herstellt, begann mit der Entwicklung spezieller Produkte für benachteiligte Gruppen aufgrund verschiedener Krankheiten (Zöliakie, Glutenunverträglichkeit, Bluthochdruck, Diabetiker). Wir arbeiten mit unserem F&E- und Produktentwicklungslabor, internationalen Test- und Analyseorganisationen, Universitäten und akkreditierten Zertifizierungsstellen zusammen, die ständig daran arbeiten, neue Produkte herzustellen und bestehende Produkte zu verbessern. Wir stellen Ihnen die Produkte vor, indem wir sie unter der Aufsicht hygienischer und internationaler Qualitätsstandards fertigstellen.

## Das Bewusstsein

Als junge Unternehmer/innen sind 95 % Unser Arbeitsbereich Frauen. Unser Unternehmen unterstützt die Beschäftigung von Jugendlichen und Frauen. Darüber hinaus versuchen wir, sehbehinderten Menschen den Zugang zu Produkten mit patentierten Soundbox für SEH behinderte Menschen zu erleichtern. Dabei werden alle gesundheitlich unbedenklichen Lebensmittelabfälle bei der Herstellung der Produkte recycelt und für die Ernährung der in der Natur lebenden Tiere verwendet.

Somit leisten sie mit jedem kauf unserer produkte, einen beitrag für unsere Zukunft und für die Natur .  
Gemeinsam sind wir stärker,

## Biz Kimiz?

Ar-Ge çalışmaları ile ortaya çıkan patent hakları ile korunan tescilli bir bitkisel hammadde geliştiricisi ve girişimcilik ödülleri ile kurulmuş bir üretici firmamız.

## Çalışma Alanlarımız

2015 yılında glutensiz, vegan ve organik ürünler üretilmesi için çalışan şirketimiz çeşitli hastalıklar sebebiyle (Çölyak, Gluten intoleransı, Hipertansiyon, Diyabetik) dezavantajlı olan gruplara yönelik özel ürünler geliştirmeye başlamıştır. Sürekli olarak yeni ürünler üretmek ve mevcut ürünleri iyileştirmek için çalışan Ar-Ge ve Ürün Geliştirme laboratuvarımız, uluslararası test ve analiz kuruluşları, üniversiteler ve akredite belgelendirme kuruluşları ile çalışmaktayız. Ürünleri hijyenik ve uluslararası kalite standartlarının gözetiminde tamamlayarak sizlere sunuyoruz.

## Farkındalık

Genç ve kadın girişimciler olarak çalışanlarımızın da %95 kadınlardan oluşmaktadır. İşletmemiz genç ve kadın istihdamını desteklemektedir. Ayrıca Engelli bireyler için patentli sesli kutu tasarımları ile görme engelli bireylerin ürünlere ulaşımını kolaylaştırmaya çalışıyoruz. Tüm bunları yaparken ürünlerin üretilmesi aşamasında sağlığa zararsız olan tüm gıda atıklarının geri dönüşüme kazandırılarak doğal ortamda yaşayan hayvanların gıda ihtiyaçları için kullanılmaktadır.

Son olarak ürünlerimizi her satın almanızda geleceğe doğaya ve insanlara katkı sağlıyor olacaksınız.

Her zaman birlikteyiz...
